

**Course Frequency 4/23/2009**

This list indicates how frequently each course in the curriculum is **expected** to be offered. It is intended only as a guide. The Law School does not guarantee that courses will actually be offered as frequently as indicated or in the semester listed.

\*Courses marked by an asterisk **may** be taught more frequently than listed (either every year if listed as every other year or every semester if listed as taught only during one semester).

Courses listed as taught irregularly will be offered only when student interest and faculty availability warrant.

(R) Indicates Course is Required
