the application's submission and, if accepted, through the date of my law school matriculation, if the change would cause my application to be incomplete or inaccurate. I agree that after making such notification, I will amend my application to make it complete and accurate if directed to do so by the Associate Dean for Academic Affairs.

I agree to notify the Associate Dean for Academic Affairs of any conduct or incident that occurs subsequent to my matriculation that would have been a required disclosure on the application had it occurred prior to matriculation. I agree that after making such notification, I will add a statement to my student file describing such conduct or incident if directed to do so by the Associate Dean of Academic Affairs.

I understand that information contained in the application may be considered by bar examination authorities during their investigation of character and fitness for the practice of law.
