

TUITION REDUCTION REQUEST FOR MULTIPLE STUDENT FAMILIES

o

Gonzaga University School of Law offers a tuition reduction for families which have two or more students currently enrolled in the Law School. Relationships that qualify for this discount are spouses, siblings, and parent/child.

The tuition reduction for multiple student families • applies to the second student, and to every additional student; it does not apply to the first student. The tuition reduction will be computed by averaging the number of credits of the two or more parties involved and reducing the tuition of the second student, and of each additional student, by 10% of that figure.
