Windows 8 Wireless Setup

Follow the instructions below to connect to the Gonzaga Community wireless network:

1. Bring up the Charm Bar.

2. Click or tap "Settings".

3. Click or tap on the wireless icon to list the available networks.
4. Click or tap on Gonzaga Community.

5. Click or tap "Connect".

6. When prompted for username and password enter for the username gonzaga\username and your case sensitive network password.
7. If Windows reports that it can't verify the server's identity click or tap "Connect".

8. You should now be connected to the Gonzaga Community wireless network. Open your browser to access the web.
